SPEAKING TOPICS

Goal Setting - Taurea takes goal setting to another level where most have never really gone. She gets really into depth with goals and the specific steps in setting goals. Goal setting is absolutely vital when it comes to growth in any area of life. Most of the time we are just going day to day and that's why most of us never ever go to the next level in business.

Fear - Taurea knows that as babies we are only born with two main fears. The fear of falling and the fear of loud noise. Everything else is learned. Taurea goes over the 10 steps that she personally used to help her in getting over her fears.

Public Speaking – Taurea has spoken in front of thousands and in multiple countries. She knows a thing or two about delivering a talk that sells. She has done so well that now she actually trains other entrepreneurs how to develop a talk that sells. Being able to speak to your target audience is vital and Taurea can show you how to do so.

Writing a Book in 30 Days – Taurea has self-published more than 12 books and has trained hundreds of entrepreneurs how to successfully use their book to build leverage in their industry. What separates Taurea from any other speaker who educates on writing a book is that she shows you how to turn your book into a business in less than 30 days as well as building multiple streams of income.

ABOUT TAUREA

Taurea is a motivational industry educator, coach, and keynote speaker. A daughter of two military parents she learned at a young age the importance of discipline and focus.

Her focus is on helping business owners to develop, master, and remain committed to growing their business in mind, body, and soul by providing valuable leadership and interpersonal skills. She offers timeless tips that support the small business owner and independent distributor for real world interactions and discoveries on what it takes to be successful in today's entrepreneurial world. She is a living example of creating a lifetime career and wants to help you get prepared for the journey. One thing she knows about are the challenges but also what it takes to break through of the challenges and focus forward on where it is that you are headed.

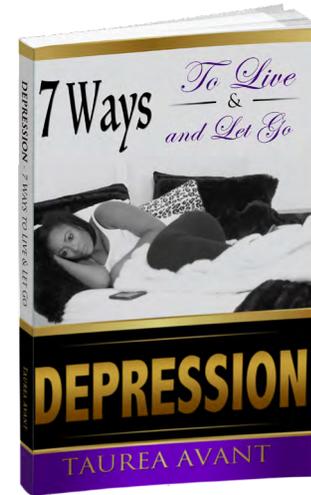

BOOKS

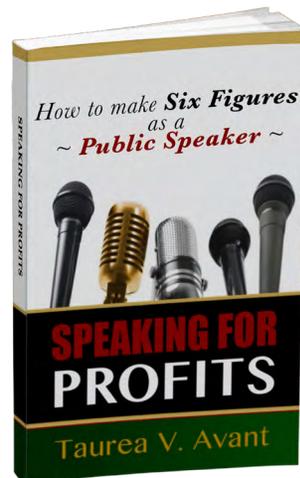

Freedom... What does it mean to you? Do you know how to get? Have you made a decision that you are tired of not being able to do what you truly want to do? Then you have come to the right place. The principles in this book are what took me from Foreclosure to Freedom in a very short period of time.
